Ride Times: Will be posted on the FADS web site ([click here](#)) and emailed Wednesday before the show, at the latest.

Special Scheduling Requests:

- Some riders have special scheduling requests due to trailering arrangements, trainers that are riding and coaching, riders with two horses, etc. Although not guaranteed, every attempt will be made to honor these requests, as follows:
 - If a class can be scheduled at a time frame requested by the rider, this will be done.
 - If the class cannot be scheduled in this time frame, every attempt will be made to schedule special request rides BEFORE the balance of the class; this is necessary so other riders and horses do not have to wait for the class to finish.
 - If a special request ride cannot be scheduled before the balance of the class, the ride can be HC*, if agreed to by the rider.
- Please note that special scheduling requests involving a wide variety of tests can be very difficult to honor.
- Also please note that **scheduling occurs after the closing date/time; therefore, a ride that is scratched due to a special request that cannot be honored will be considered a scratched ride and the ride fee must be paid.**
- If you must depart before your class finishes, please make arrangements to pick up your ribbon(s) (a friend at the show, pick up at a later date) or provide \$5.50 packaging, postage & handling cost to have the ribbon(s) mailed to you.

Waiting List / Late Entries:

- If the show is full on or before the closing date, no late entries will be taken unless the late entries would fill scratched ride(s).
- If the show is not full by the closing date, the closing date may be extended a day or two during which time entries will be accepted that will not be considered late.
- After the final closing date, if the show is not full, late entries will be accepted without scratches; however, the late entries would be scheduled at the end of the show and might be HC* rides.
- There is no late entry fee.
