References: <http://www.usdf.org/docs/showflash/web/GeneralInfo/Before/TestTimes.pdf>,  
Information on test sheet, and Fox Village Dressage

Unless otherwise annotated, all times listed are in minutes and include time for the test, time for the judge to speak to the rider, and time for the judge to complete the test sheets. If you have time, give more minutes for each ride as this gives the judge more time to talk to the rider.
